

## PENTWYN PARK & RIDE

### Client

City & County of  
Cardiff

### Location

Cardiff

### Date

2009

### Value

£6m

The site is situated in the Llanrumney area of Cardiff on common land between the A48 (Eastern Avenue) and the River Rhymney. The contract included an Amenity Building – design and build of a single storey toilet/security block. Works included the design, foundations, drainage, cavity wall construction, forticrete stone cladding, kingspan roof and cladding, glazing, all joinery works, mechanical, electrical and ventilation works (first and second fix), plaster boarding and skimming, floors, decoration, wall tiling, sanitary ware, cycle racks, door stops and roller shutters.

The Scheme also included the construction of the main access road to the site off the A48 via the Pentwyn Interchange, earthworks and flood compensation measures, landscaping, drainage, service diversions and new service connections to the site, distributor roads and parking facilities, street lighting and CCTV, kerbing and tarmacadam surfacing.
